You real sweet and pretty girl. I'm glad I got the chance to meet you I wish we had more time to become better friends. Have a great summer. And have a great life. Good luck

BECKY

Oh how I'll miss you flirting with me. ^{Ha Ha} I know how much you've tried to be alone with me, but it just won't work out. Too BAD? Anyway. I've had a good time with you since I've gotten to know you and you wanna know something, you really are pretty sweet. One of these years when you finally realize what it is that you really want, I hope that you get it. (whenever)

Take good care of yourself,

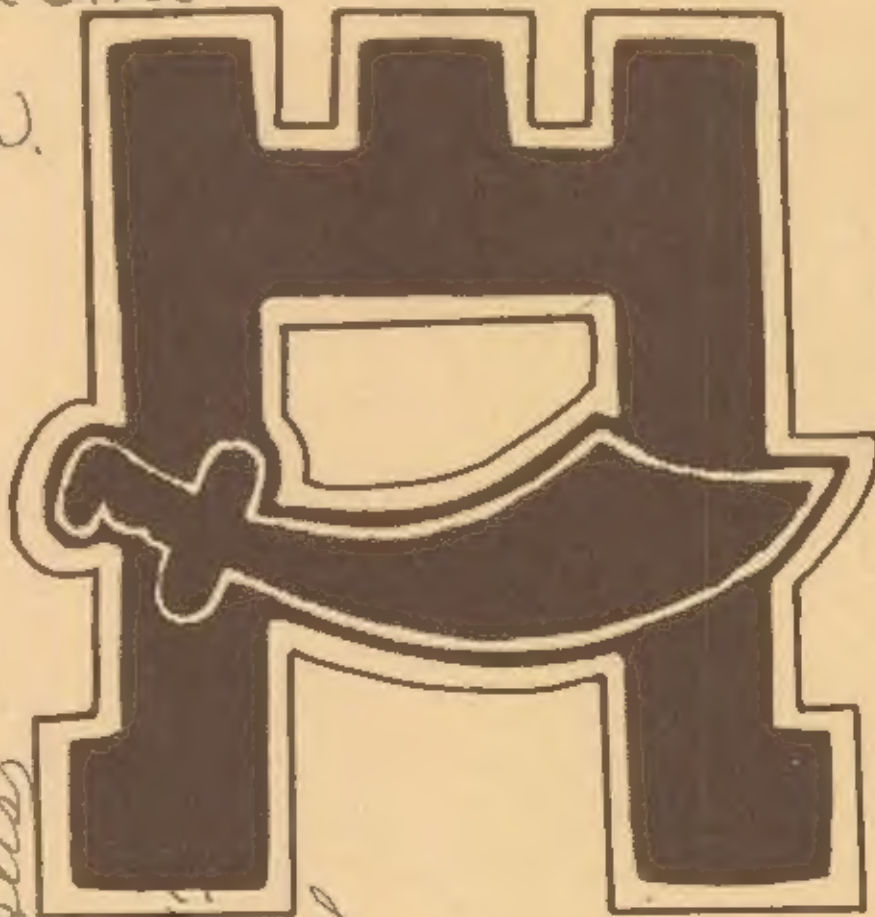

Love Always

Becky

I really never knew you until this year. I'm glad I got to know you! If you don't stay in touch I will be upset especially because you live across the street from me!

Becky -

Ya know at the beginning of this year I think we were at each others throats as enemies. In really glad that we became friends and made that friendship grow. You showed me a lot of leadership with your position on the board and I'll follow your examples. Thank for being a part of the best and biggest club that changed my life so much. Good luck in life and in everything you do. I love! ya.

Loves Ya,

Becky,

Hey you ~~gorgeous~~ gorgeous, luscious, kind, sweet, charming, + loveable young woman! I want your Body! ~~No~~ No, really ... I had a great year, you were fun to be with, esp. that one day with the disco king + the band in the snack bar area! I'm going to miss you! Good Luck Always!
Take care! + xoxo, with "fl"

Every, Bucky, Rebecca, Mary, Well, we're finally seniors! I can't believe how fast the year went gone by. You know even so much to rely on, all of these years I can't even begin to mention all of the times, you've put down yourself was this year a blast, or what!!! Both of us being on the executive board and being in mascot together. Camp, the dance-a-thon, projects etc..., wouldn't have been the same without you. I'm going to miss having you around.

I know that some day you are going to make a terrific teacher since mother of us our going out of state, were going to have to keep in touch. So me one power mower cut your hair. Let's be beautiful. Remember the time we braided it in all of those braids?? I still haven't had the chance to ~~see~~ hear you sing. Maybe someday I'll be listening to the radio, and the d.j. will say, "here's ~~the~~ the latest ~~from~~ Rebecca Mann" Bare care and God Bless!

Yove yotions,

The best of the best

This year's best of the best seniors of National Honor Society (N.H.S.) were led by Nathan Lewis, president; Shannon Browning, vice-president; Kim Brooks, secretary; and Marcy Woodruff, treasurer.

Members of N.H.S. learned self reliance, time and money management, and interpersonal relations improvement. One of the many activities done this year was selling posters and can-

dy. Money from these went towards their scholarship program. Another service rendered by N.H.S. was their daily tutoring service. N.H.S. tutored students at Alhambra in any subject they needed help. This service was given to the students at no charge. From selling the candy and posters and tutoring students, N.H.S. members learned how to make money and help others.

Qualifications met by each member were scholarship, leadership, and character abilities. They also had to have at least a 4.3 grade point average and be in the top 10% of their senior class. They were chosen by the Honors and Awards Committee. N.H.S. met once a month with their sponsors, who were, Mrs. Beeson, Mr. D. Tillotson, and Mrs. McGaffie.

Boys/Girls State learning Americanism

GIRLS STATE Sharon White, Michelle Lazovich, Susan Castellano, and Heidi Lowen.

Boys and Girls State was a program of education for citizenship. It was sponsored by the American Legion Auxiliary and was open to junior girls and boys. Its purpose was to educate students in the duties, privileges, rights, and responsibilities of American citizenship, in order that they may understand and participate in the functioning of their government, and to help them grasp the meaning of some of the responsibilities which they must assume when they become adults.

Alhambra was one of the 141 high schools represented at Boys and Girls State. The entire assemblage became a

mythical state which functioned according to the laws and procedures of the state of Arizona, taking the basic laws as their guide. They instituted their own city, county, and state government by electing their own officers.

Qualifications met to participate in Boys and Girls State were that they did not participate in previous sessions. They must have been of the finest character, must have had outstanding qualities in leadership, and met acceptable standards of scholarship.

BOYS STATE Nathan Lewis, Ivero Esqueda, Dan Masters, and Jeff Mancuso

Girls State participants, Sharon White and Michelle Lazovich enjoy remembering their experience at Girls State

Students come from around the world

Foreign exchange this year consisted of teens from various parts of the world. The students came from as far as Africa and Australia. There were seven exchange students who came to Alhambra this year. The students who came were open to life and wanted to find out as much about life as they could and make theirs better. They were all remarkably nice people with many of the same hopes and dreams of teens in America.

Because the exchange students were similar to American teens, they were very adaptable and extremely open with the people they met. The reason most students chose to come to the U.S.A. was to learn how people in this country lived. In becoming a foreign exchange student, they helped promote better world understanding and peace.

FOREIGN EXCHANGE STUDENTS: Victor Manuel from Ecuador, Katrin Larsen from Holland, Monika Nevermann from Bolivia, Rohan Bisset from Australia, Adriana Jacobsen from Brazil, Ined Akri from Tunisia, and Marcos Godoy from Brazil.

Members improve journalism

To be a member of Quill & Scroll, a student must be either a junior or a senior having good scholastic standings and have at least one year experience in publications or be presently on a publication's staff. The people on Quill & Scroll learned how to improve

themselves in journalism by writing for the school newspaper or yearbook, to inform students what was happening.

Quill & Scroll, the International Honorary Society for High School Journalists, was organized on April 10, 1926, by a group of high school publications ad-

visors. Since its organization, Quill & Scroll has granted charters for more than 11,300 high schools and Alhambra had the privilege of having one of these charters

Scholars enjoy fine arts

Parnassus society recognized scholarship and provided an organization through which students enjoyed the fine arts. Members met every second and fourth Tuesday of each month with sponsor Mrs. Moore. At each meeting, the students were informed

of the cultural opportunities current in the community. To be eligible to be in Parnassus, the student must have been on the Honor Roll for at least one semester, and paid dues of three dollars per year. The members learned cultural enrichment as well as knowledge of

the arts by involving themselves in events, presentations, and places such as, Lyric Opera Theater, Phoenix Little Theater, Phoenix Symphony, and Phoenix Art Museum.

Come on ---- talk dirty to me, just like you ^{do} at the general meetings. Well, when you first took the office of Treasurer, I told you "you gonna hate it." Well, wased right or was I right? But stuck it out during the bad times and for that you deserve more honor than one human can give another. (Did that make sense?) It seems like this whole

year didn't make sense!
I'm still not sure how our club managed to stay #1 with what has happend, ~~thats~~ I think a big part of our success was because of people like you who did their job. (Not those spineless wimps that I had to put up with!) "Come on Priscella, Yvonne, Stacy show a little backbone!"

Extra special and successful year

Administration stood together at Alhambra to make this year extra special and successful. Alhambra acquired a new attendance policy, did some remodeling around the campus, had some personnel changes, and much more.

The attendance policy that was new to Alhambra this year caused more dropouts than usual. But the teachers approved it and felt it was much more sufficient than the former policy.

This year there was much remodeling and fixing up going on. The roofs were reroofed, the band room's sound-

proofing was increased, and the library eliminated the ceiling-high shelves except against the walls.

The main problem encountered with the personnel who retired was finding replacements for them. But, it didn't have an impact on the curriculum.

Some of the teachers who retired were Mr. Duncan (Business Education), Mrs. Valentine (Business Education), Mr. Geist (Business Education), Mr. Krey (English), Mr. McCaulley (Social Studies), and Mrs. Waxman in (Physical Education). The new teachers to Alhambra were Mr. Moffat (Ger-

man), Mr. Altemus (Industrial Arts), Mrs. Connelly (Math), Mr. Herrera (Social Studies), and Mrs. Roth (Science), who came in at semester. Some of the replacements for the retirees were Mr. Ron Scott, who replaced Mrs. Waxman (P.E.), Mrs. Miller, who replaced Mr. Ward (Library), and Mrs. Cashwell, who replaced Mrs. Boltz in the Health Center.

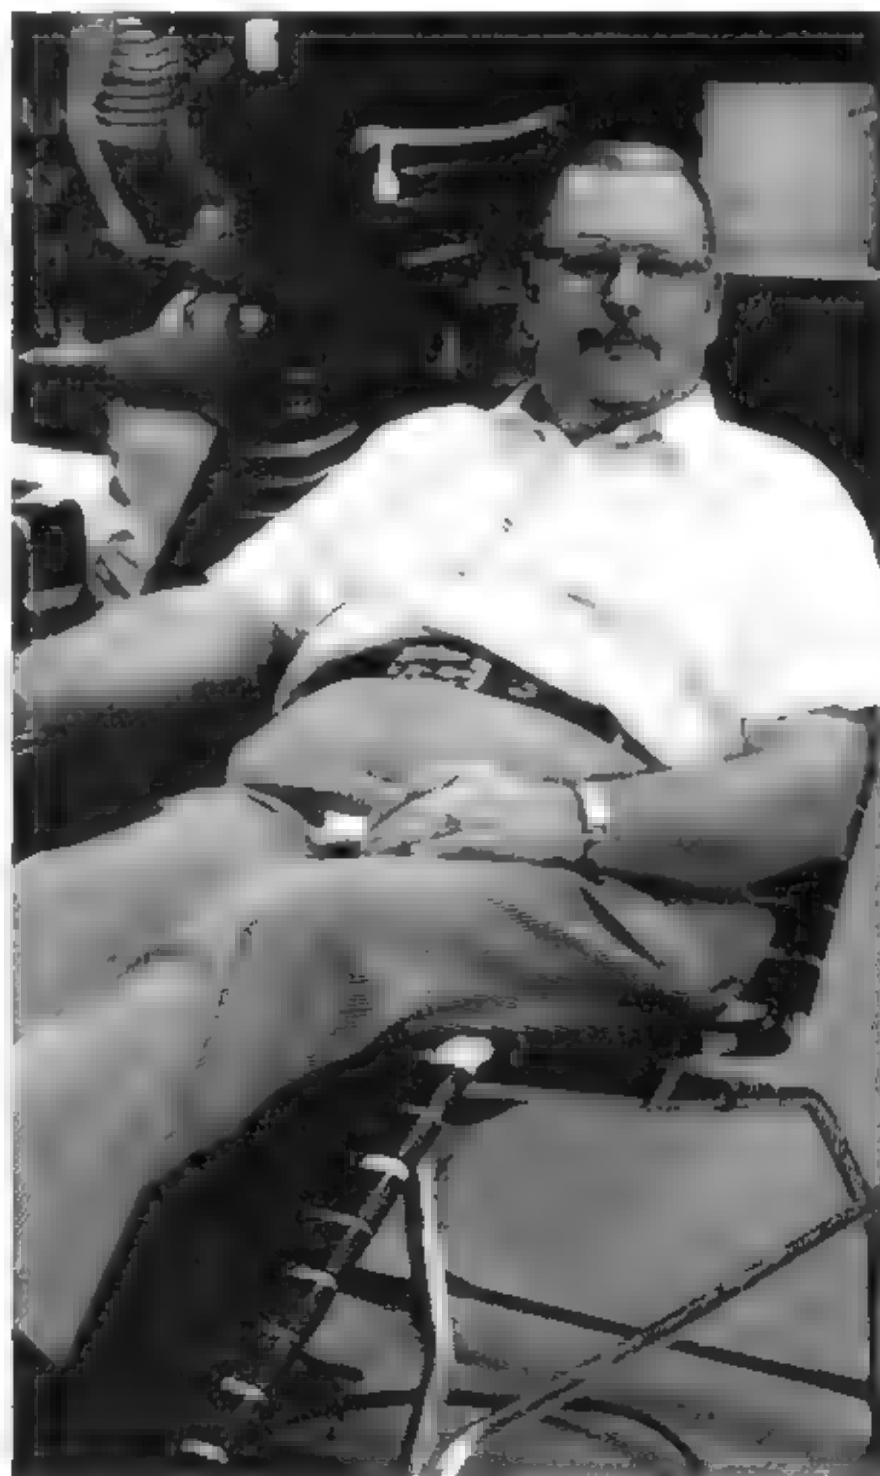

Standing together in all of this contributed to making Alhambra the best school possible.

Mr. Dye and Mrs. Billing work together to get some troubling matters cleared up.

While at his desk, Mr. Dye works on reports and talks on the phone towards the beginning of the semester.

During the Blood Drive, sponsored by Key Club, Mr. Dye takes time out to give blood and set a good example for Alhambra students and personnel.

Dr. Berra leaves counselors

This year, Dr. Phil Berra left the Alhambra counseling staff to go to Trevor Browne to work as an assistant principal. Ms. Nancy Kloss took Dr. Berra's place as department chairperson.

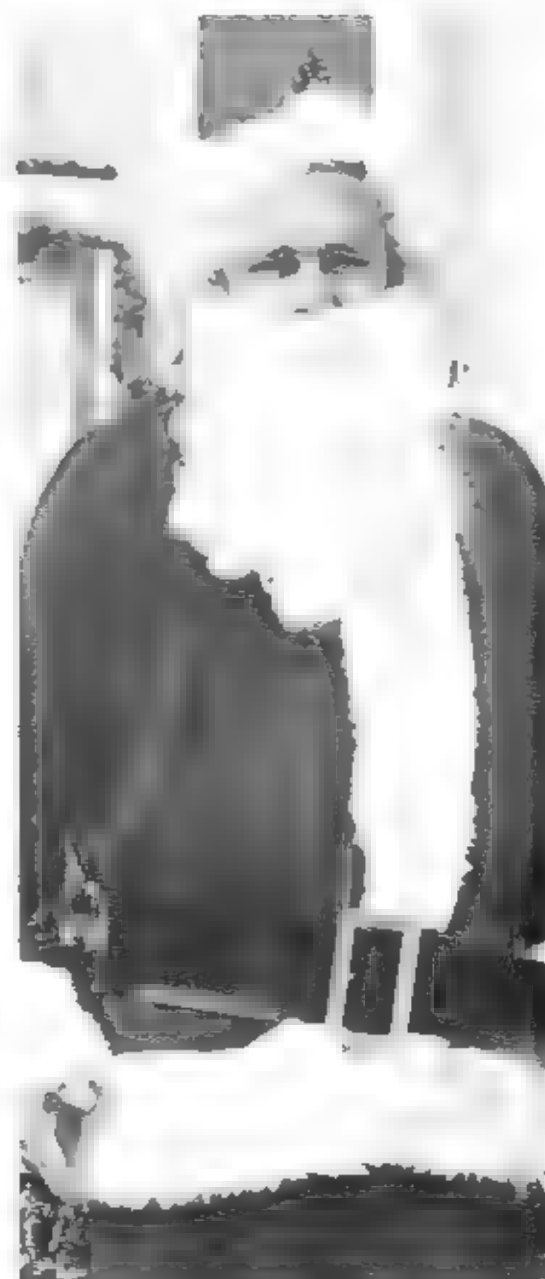

The counselors in the Guidance Department helped staff, as well as, students in the Alhambra community. They helped with class schedule changes, registration, and career choices. Along with school problems, the counselors helped the students with any personal problems they may have had.

Services help students

The Services Department helped students who had hearing defects, speech defects, vision defects, and mental problems. These services were available to all students and helped many of those students.

The IMC, Instructional Materials Center, helped students find resources for reports, which included films, careers, magazines, tapes, records, and other school related materials.

Mr. Smith, security chief, is caught by Joe Heffley, photographer, while Loren Baker looks on.

The new look, lower shelves, enlarged numbers, and different paint, give the library a more open appearance.

Business community get involved

This year the English Department's main activity was arranging for members from the business community to visit the freshman and senior English classes. The purpose was to inform these classes of careers in the valley.

New department chairperson, Mrs. Nancy Beeson, said that enrollment in English classes had increased because of the four years of English required for graduation. Elective classes also offered were Communications and Mass Media, Journalism, and Publications (Yearbook and Newspaper).

Two years of math required

Scott Shephard sticks his nose into another Fortress photo during a science class.

This year, two years of math were required for entering freshmen in order to graduate. Students had many classes available to them, such as, Algebra, Geometry, and even Computer Math and Consumer Math. For students who wanted a challenging class, Calculus was offered.

Department chairman, Mr. Glambruno, said that with the new requirements, enrollment in math classes had increased.

Every year the Science Department, headed by Mr. Vanderschoot, planned field trips for the students in Biology classes. Mr. Vanderschoot hoped they could expand these field trips this year.

New things happening in the Science Dept. this year included two years of science for graduation beginning with the freshman class. Although this required more people to take science, enrollment decreased overall. Elective classes offered were Human Physiology and Biology 3-4a.

Art enrollment up; new band uniforms

Christy Greely takes a break from her crafts project to smile for the camera.

An important event in the Performing Arts Department was the purchase of 105 band uniforms to replace old, worn uniforms. Provided in this department was an opportunity for group and individual development in the varied courses offered. Those courses were Chorus, Choir, Guitar, Piano, Concert Band, Beginning Band, Jazz Band, Speech, Drama, and Beginning, Intermediate and Advanced Dance.

Although enrollment in the Art Department dropped across the district, at Alhambra it increased. Some of the goals set for the art students were to learn an awareness of the great variety of visual arts, develop skills and knowledge needed to pursue an art career as well as many other opportunities. Art classes included Crafts, Art, Photography, Ceramics, Painting, Drawing, Advanced Design, Fashion Design, and Individual Studio.

Decreasing enrollment hurts departments

A problem faced this year in both the Home Economics Department and the Industrial Arts Department was a decrease in enrollment in their classes. Ms. Joyce Hopkins was the chairperson and was joined by Mrs. Loretta Batina and Mrs. Anna Snodgrass in Home Economics. Some classes that were offered were Child Development, Human Relations, Foods and Clothing.

Automotives, Drafting, Electronics, Metals, Woods and ICE were offered in Industrial Arts. This department offered students training for constructively personal careers that could help them in the future.

Loss of teachers; new equipment added

The Social Studies Department started this year minus a few good teachers. Among these were Mr. Johnson and Miss Hurlburt. Teachers gained were Mr. Futch and Mr. Herrera.

Besides staff changes, enrollment decreased in elective classes such as World History. Other classes such as American Government, American History, Arizona Government and Free Enterprise were not affected.

Total enrollment in the Business Education Department increased. All of the classes offered were electives. This year the Business Department acquired new equipment and textbooks. Among these were new textbooks in Accounting, Office Typing, Business Machines and Advanced Marketing, thirty-five new IBM typewriters, seven new Sanyo transcribers, and fifteen new calculators. Also, Room 303A was remodeled to serve as a "Microcomputer Center."

Laux new squadron commander

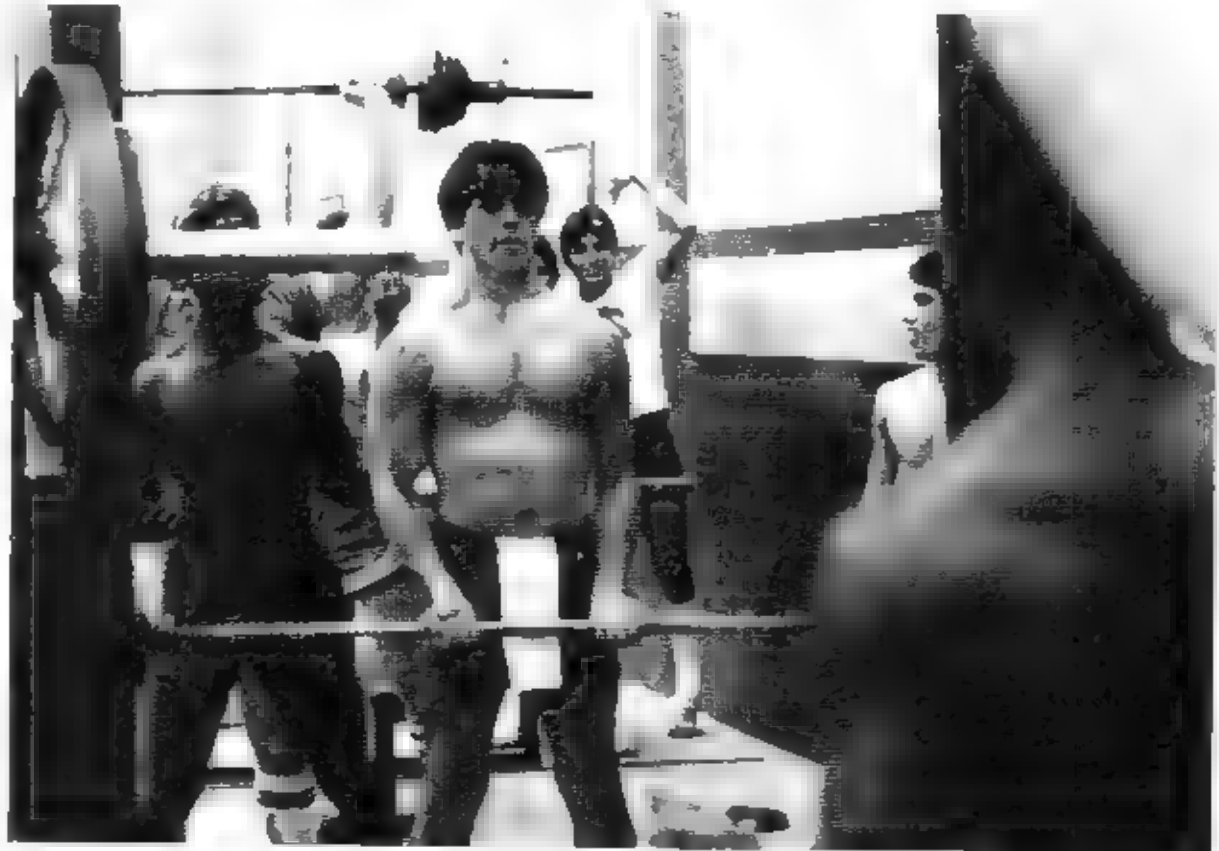

With a new year came a new staff and a new squadron commander. This year's was senior Dan Laux.

Along with a new staff, enrollment in ROTC this year increased due to more recruiting activities. Among these were two cadets attending third and sixth hour study halls and presenting information about ROTC.

The main objectives of ROTC were to learn leadership and responsibility. These were accomplished by teaching classes and on-the-scene experiences.

Enrollment in the Physical Education Department decreased this year. The decrease was due to the loss of two full-time teachers and additional requirements for courses such as English, math, and science.

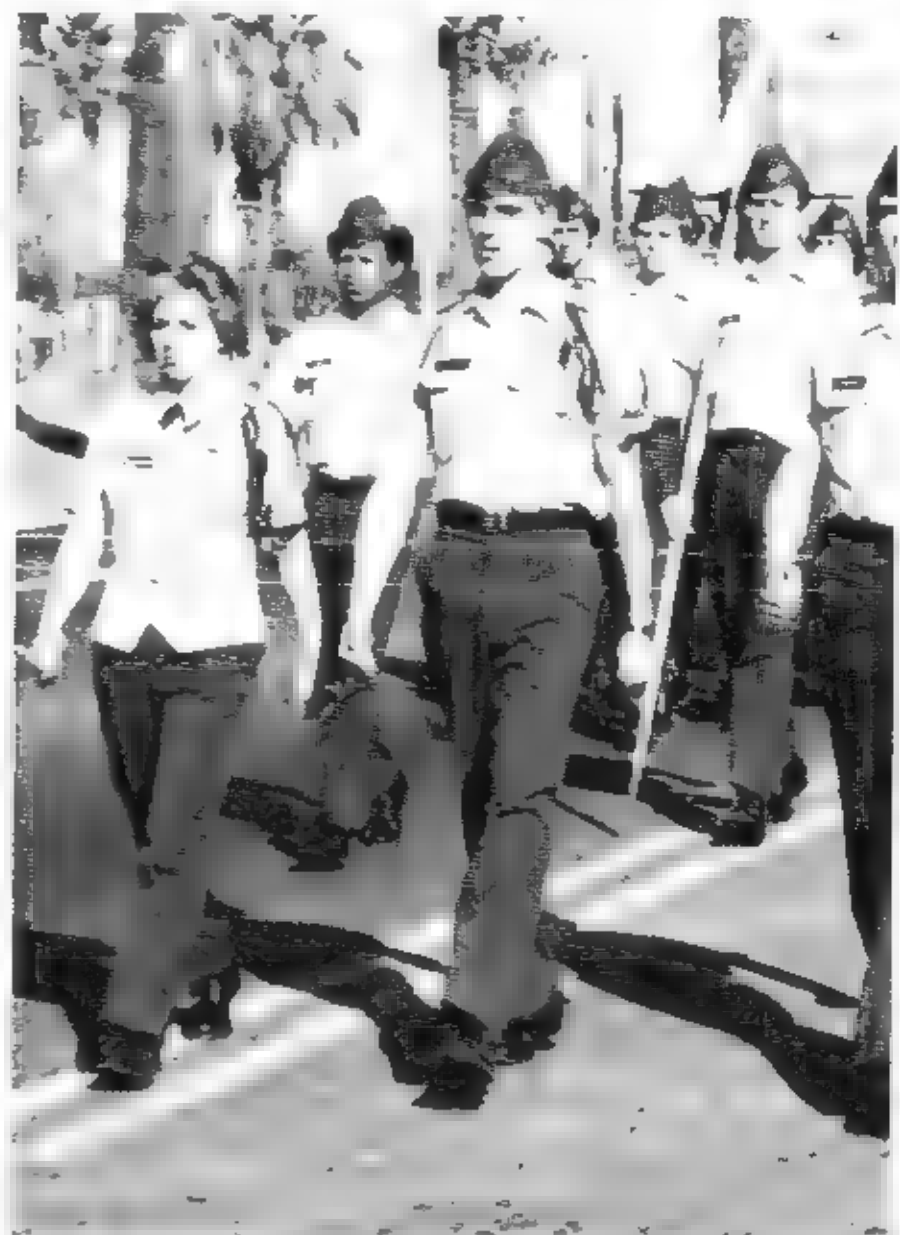

Many classes were offered, the only required one being health. The other classes included General P.E., Lifetime Sports, Weight Training, Gymnastics, Self Improvement and PEOPEL.

Ms. Joan Plum, Department chairperson, said that no big changes occurred in the department although enrollment was off slightly. Foreign languages came under Humanities of which there was a requirement of one year for graduation.

ceived a new chairman.

Mr. Joe Hoeffel was chosen to take the place of Mr. Al Horcasitas. Another special teacher lost was Mr. Wayne Anthony.

Even though two teachers were lost, they picked up two teachers from Carl Hayden and one from Camelback. These teachers were Ms. Beverly Lou, Mrs. Linda Alvidrez and Mr. Harry Krueger.

Enrollment in ESP increased mainly because of the large numbers of people

moving into Phoenix from other parts of the country, and also parent involvement in their child's academia. Special students were required to take the same classes as everybody else but at a different level.

Reading classes were required for students who had not passed the reading test. The same number of classes were offered but fewer students per class. One new teacher was Mrs. Morse.

Pat Metz and Nancy Chandler open the Homecoming float parade with the traditional Olympic torch run.

Homecoming week was highlighted by the dunk tank with Jeff Young and Dan Masters being the dunkees. Pom and Cheer sold the traditional Homecoming ribbons and Student Government conducted the Homecoming assembly. The game's halftime activities consisted of Homecoming Royalty, fireworks, and the float parade.

Jeff Young and Monica Rangel were crowned King and Queen. Robyn Epperson and Jerry Kneipp were first at-

tendants, Bryan Kuban and Julie Pettett were second attendants, Tim Roberts and Beth Daniels were third attendants, and Dan Masters and Julie Tang were fourth attendants.

The Homecoming football game drew a good crowd to cheer for the team; however, it was not enough to pull the Lions through with a victory. They lost a tough game to South by a score of 14-0.

New, old, clubs, going strong

This year's newest club, Pep Club, was formed to promote school spirit, pride, loyalty, and unity among students. Their major activity was representing Alhambra at sporting events. Their motto this year was "Cheer 'til

you choke!"

HERO was both a club and a class taught and sponsored by Mrs. Snodgrass. Students participated in intra-curricular club activities and developed leadership abilities through the

state organization. It was a work-study program, where students received money and school credits for their efforts. A club that has been established for years, HERO appeals to many students.

Mr. John Russell was the new sponsor of Key Club this year. The president was Jim Camargo and vice president was Jeff Young. The club requirements were to pay yearly dues. They met every Monday evening and every Saturday that a project was planned.

The group planned many fundraising programs to help pay for club projects. Among these were a candy sale, Lion hats, a blood drive, and a dunk tank during homecoming week.

One of the club's main projects was working at The Beatitudes Campus of Care, a home for the elderly. They worked for The Hacienda de Los Angeles, a home for the mentally retarded and physically handicapped, and The Crisis Center, a home for physically and mentally abused children.

The Key Club members learned how to be someone, how to work with others, and how to have leadership development from their activities.

Mat Maids show enthusiasm

This year, the Mat Maids were sponsored by Mr. Stone. They met twice a week to practice their cheers and their formations. The students attended all the matches and tournaments this year for the Varsity and the Junior Varsity Wrestling teams.

They held car washes and bake sales to raise money to buy trophies for the wrestlers and to help buy their new uniforms. Through this club, students learned cheers and helped put enthusiasm into their audience. At the beginning of the year, they attended the Maryvale Cheer Clinic.

Pom line entertains lion fans

The 1983-84 Varsity Pom Line was responsible for entertaining the crowd. Captain, Robyn Epperson, and co-captain, Carla Redick, led the line in a wonderful job of entertaining the crowd during halftime at all the home football and basketball games, supported cheer by cheering at away football

games, participated in special on and off campus events as invited, attended summer camp, and went to awards banquets.

They met and practiced in the morning on Tuesdays and after school on Wednesday and other times as needed. Ribbons, pins, and candy were

sold as fund raisers throughout the year

The members learned responsibility, sportsmanship, leadership, and dance choreography from participating in this club.

Cheer inspires Lion spirit

The 1983-84 Varsity Cheerleading squad, led by Captain Lisa Gaona, and co-captain, Judi Estes, and sponsored by Ms. Tabasso, raised school spirit by cheering at all of the football and basketball games. They also promoted spirit at assemblies, pep rallies, and built creative mounts.

The cheerleaders attended summer camp in Malibu, California. Though the ride was long, they still performed great and received a spirit stick and all superior plus ribbons for their hard work.

They practiced daily in the mornings and made breakthrough posters after school for the football games. Fund raising activities included car washes, candy, ribbon and button sales throughout the year.

This was the first year for male cheerleaders. They were Lee Cope-land, Dan Masters, and Jeff Young.

Cultural Events, collecting toys forte of clubs.

The Indian Club was sponsored by Monica Lowe, this year. She helped the members have a better appreciation of the Indian culture. The club held such activities as cultural events and pow wows. They also had guest speakers to show them social and leadership skills. The club was active from November of '83 until May of '84, and met every Wednesday of the week. To help the Indian Community, the club had car washes and sold Indian Jewelry and homemade Indian bread.

To be in FBLA, Future Business Leaders of America, members had to be enrolled in a business class. Ms. Bice, sponsor of FBLA, taught each student more about business. Each member was given a chance to compete in the State, Regional, and National Conferences. To pay for entrance and traveling fees, the club held candy sales and key chain sales. Not only did FBLA help the members, but it also helped battered children and other needy people by collecting toys, food, and clothing.

Strategy involved with clubs

Dungeons and Dragons was a club based on a strategic game involving medieval knights, who were on the side of good, fighting the forces of evil such as witches, dragons, monsters, and warlocks. Mr. Robert Mulligan sponsored Dungeons and Dragons which met every Tuesday. The only membership requirement was that the members wanted to play the game. They also had to pay \$1.00 dues per semester to pay for books, dice, and equipment. The students learned more about Dungeons and Dragons by playing the game and talking over strategic moves.

Computer Club, this year, was sponsored by Mrs. Savage, Mr. Goodrich, and Mr. McNecce.

The club met on the second and fourth Thursdays of every month. At each meeting the members sharpened their computer skills. The members learned how to write and run programs on computers and become better computer literate. The members wrote different games to play on the computers.

Band becomes peppier in new uniforms

Putting its best foot forward, the Alhambra Marching Concert Band participated in many activities throughout the year. Besides being the center of attention at all home football half time shows, the band marched through the quad for pep rallies. The group also attended Band Day at Northern Ari-

zona University along with several schools from all over the state. The highlight of the year was marching in the Phoenix JC's Rodeo Parade.

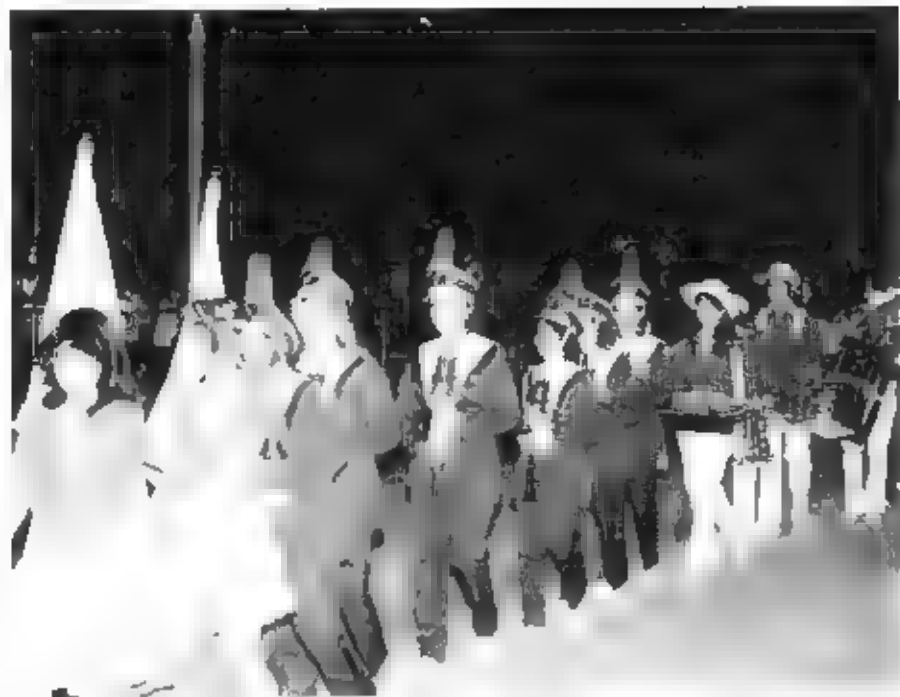

During basketball season, each member was required to play at five games to make up the pep band. Members of the band put on concerts along

with the other groups in the Performing Arts Department.

The Band, under the baton of Mr. Richard Felix, was the recipient of new uniforms to replace the old ones used for the last ten years. During the spring, the band was invited to help do a commercial.

The 1983-84 student body officers consisted of president Dan Masters; vice-president, Beth Daniels; corresponding secretary, Pam Reilly; recording secretary, Julie Pettett; and treasurer, Julie Tang. Mr. Thomas J. Goss sponsored this activity. All members were selected by the student body officers through interviews. The students must maintain at least a 3.0 grade average.

The student government members

won the Josten's spirit award this year. They sponsored Homecoming and related activities, Rodeo Week, Fun - In - The - Sun week, the annual Phoenix Suns benefit game and many other events planned throughout the year. The classes sponsored their own fund raisers. The class funds were used for class sponsored activities and other expenditures.

From being involved in this program, the students learned how to cooperate

with one another, leadership, creative thinking, communication skills and responsibility. The annual Phoenix Suns game benefited a selected charitable organization.

They met every day during fourth hour to discuss future activities, finalize present activities, and to make known any new ideas that a member may have had.

Ski Club takes to the slopes

Ski Club this year was sponsored by Mrs. Wharton, Mr. Wharton, Mr. Ing, and Mrs. Borden. The members met with their sponsors at every board meeting to talk and plan their ski trips. The club planned three ski trips: one to Snow Bowl on December 10, one to Purgatory on January 19, and one to Sunrise on March 3. The ski trip to Snow Bowl was cancelled due to lack of snow. On each of these trips, the members learned how to ski and also how to better their skiing skills.

Even though the club held board meetings, they did not learn how to ski during the meetings, but learned how to at the slopes.

The members paid dues of ten dollars to help pay for the cost of the trips, and they also held candy sales.

Modern Dance learns to perform

Along with head choreographer Shawn Garraghan, Modern Dance performed in concerts and a few assemblies at Alhambra. Some of these included the Christmas assembly, a con-

cert put on April 5, 1984, and other concerts in conjunction with the Performing Arts Department. This year's Modern Dance sponsor, Ms. Diane Malenfant, helped the students learn how

to perform and choreograph dances. To raise funds for costumes and other equipment, Modern Dance held bake sales throughout the year.

Yearbook staff "Stands Together"

Advisor, Mr. Larry Cunningham along with Donna Szczepaniak, editor-in-chief and Rhonda Hansen, assistant editor, worked with the rest of the 1983-84 Fortress staff all year to put the yearbook together. The staff met everyday from 1:00-2:00 p.m. They also worked on the yearbook during their lunch hours and after school. They worked to write copy, cutlines, and headlines, to design layouts, to take pictures, and to choose just the right photographs for their sections. The staffers learned how to cooperate in a group effort, produce a publication, and meet deadlines. The staff was picked by the advisor through applications and high ability.

Each year the Fortress was formed around a theme. The theme this year was "Standing Together."

Rescuing the Scimitar from an ignominious demise was retired, and then rehired, former advisor Mr. Martin Krey. At semester, Mr. John Haire transferred to Camelback High to take a different teaching position.

Mr. Krey helped the students produce a newspaper and learn good journalism and publishing skills. The paper came out once a month to inform the students and teachers of Alhambra what was going on at their school.

The staff of the Scimitar changed many times throughout the year. Mr. Krey wanted to have just the right staff and editor to produce the kind of school newspaper he and Alhambra wanted. The year started out with Scott Orr as editor-in-chief and ended with Lisa Hendrix. Lisa, along with the returning advisor, finished another fine year of reporting on the many different topics of the latest events happening in and around the school.

Mascots boost Lion spirit

The new mascot sponsor was Mr. John Russell. The members were picked through tryouts in April. The mascots also had to participate in 75% of their school activities to remain on the line. The students learned responsibility, how to raise spirit, and encourage others.

Mascots sold key chains, candy, and other spirit boosters. The money raised was used for dry cleaning the suits, buying shirts, paying bills, and other miscellaneous items.

"No Sex" at "Blood Wedding" in "1984"

The Alhambra High School Thespians and Performing Arts Department performed the plays "No Sex Please, We're British," "Blood Wedding," "1984", and "West Side Story."

The play, "No Sex Please, We're British," was written by Anthony Marriott and Ali Stairfoot and directed by Mr. Fred Snow. The play was about a newlywed wife who tried to help her husband with financial affairs. She tried to sell Tupperware, but instead she ends up selling pornography, by mistake.

"Blood Wedding" was a folk tragedy that forcefully stated for innate foundations of the Spanish peasant character.

Clubs help the needy and the environment

Hiking club, sponsored by Mr. Coffey and Miss Plum, went on one hike a month and met twice a month to talk over their plans. The members also saw films and slides to widen their knowledge of the outdoors. The club members learned to take care of themselves in the outdoors, to prepare food, to gain safety principles, and

most importantly, to protect the environment

Citizenship club planned activities such as going to Disneyland over spring break, car washes and parties in October. Members of Citizenship Club furthered their trust in GOD, respect for country, flag, and fellow man by participating in this club.

Cadets collect money for Gompers

ROTC cadets attended class daily, and the staff met every Wednesday at 7:00 am for a briefing. The membership requirements were wearing the J.R.O.T.C. uniform one day a week and applying basic leadership traits. The activities that the cadets attended were Veterans Day Parade - No. 11, A.F.I. Military Ball, Fort Bliss, Awards Banquet, drill and rifle competitions, and of course, presenting the Colors at

football and basketball games. These activities were held at different schools, and in different areas of Phoenix

The Squadron participated in different types of fund raisers. For example candy sales, Gompers, and the Color Guard performed at some Suns basketball and Phoenix Pride games. The money was used for new and updated equipment, and new uniforms for ca-

dets and special units. J.R.O.T.C. taught each cadet leadership and respect. The cadets learned this through classes, activities, and practical work

Outside of school J.R.O.T.C. helped an organization called Gompers with fund - raising. Every year cadets devote one day collecting for this organization which is for handicapped individuals.

DECA helps MDA telethon, elderly

DECA president Michelle Fizz practices her speaking techniques with the Toastmasters

Distributive Education Clubs of America, DECA, was a work study program for high school credit. The students learned, from participating in this club, to develop leadership skills and to be a better consumer in the American free enterprise system. The only requirements were that students had to be enrolled in a marketing class and be able to be placed at a job and work to the best of their ability.

As members of DECA, they worked at the MDA Telethon, and assisted the elderly as well as the underprivileged youngsters. The club sponsored civil, social, leadership, and vocational activities held on campus. The club met once a week and also at banquets and conferences. To pay for scholarships and conferences, DECA held many fund raising programs throughout the year to learn about marketing.

The club met each Monday at school and once a week at Brunswick Maryvale Lanes. Mr. Boglio, Mr. Wootton, and Mrs. Ulmen were the sponsors. The members learned good sportsmanship and social graces. Not only did the students gain these things from participating in this club, but some students helped MDA by taking part in the MD Bowl - A Thon. Last year, \$9,000 was raised at the MD Bowl - A - Thon.

The members also were required to have money for games, have transportation to the games, and most importantly, have an interest in bowling.

Win over Maryvale highlights season

The Varsity Football record this year was 3-6 with several of the losses coming by a touchdown or less. They were fairly young, starting as many as 18 juniors and sophomores in several games. Certainly the season highlight was knocking an excellent Maryvale team out of the playoffs and playing Trevor Browne for a tough 3½ quarters. Tim Roberts at defensive end and Bill Runnings were the two seniors that played the steadiest ball for this year. Bill started several games for us at quarterback and did exceptionally well ending the season with three touchdowns. Others to be recognized were Nuike Tuihalamaka playing linebacker and noseguard, Cornell Green playing cornerback, and Aaron LaDuke, who, as a sophomore, led the team in tackles. "Next year we are looking forward to a good year. We have our first group of seniors, since we have taken over the football program. We have 16 starters back out of 22 positions and we as coaches will expect a great deal from our players," stated Coach Paul Hoffland.

J.V. ready for next year

The J.V. Lions had a very disappointing season with a 3 win 5 loss record. It seemed no matter how hard they played, and how much effort they would put into the game, the Lions always got the bad calls.

The Freshman team had a great season with a 6 win 2 loss record. Every afternoon they played, it seemed to go as planned. The coach, Tom Altemus sees a good future for the lions in '87.

Both the J.V. and the Frosh. teams should be awarded for their excellent playing this year. It was felt that next year's J.V. team will produce a winning season if they have the same players that were on the frosh team this year.

New coach for Volleyball

Varsity volleyball team had a new coach this year. Coach Frantz, led them to an excellent season, with a 9 win 3 loss record. Coach Frantz, the Alhambra High Track coach, may have been the new coach, but she knew all the right moves to obtain the Lions a winning season. Coach Frantz was so enthusiastic, she even started the cheering at the games. The whole team pitched in together to do their best and played the right moves. The team hoped that Coach Frantz would be back next year to give them another chance at a winning season.

Getting ready for next year

Beginning the season with high hopes, the JV Volleyball team started by scoring two wins over Tolleson and cross town Arcadia.

The team then lost to Browne, but volleyed hard to take a win over South.

After the win over South, the team took four losses in a row succumbing to Maryvale, Central, Camelback, and a second time to Browne.

In the second game against South, the girls were able to spike the ball over the net hard enough to beat the Rebels. Their season ended with three losses against Maryvale, Central, and Camelback.

The members showed promise under first year coach Ken Hampton and looked forward to playing varsity next

year.

Taking two wins over North was the highlight of the Freshman Volleyball team's season. The team's other wins were against Central and Maryvale. They had losses to Maryvale, Camelback, Browne, Central, and Camelback, ending their season with four wins and five losses.

Excellent season for X-Country

The Boys Cross Country team had an excellent season with a record of 14 to 1 in dual meets, and placing third in their division. The Lion distance runners' only loss was to Casa Grande against whom they came back and almost beat in the divisionals by a score of 70 to 74. The highlight was in the last meet of the year in a four way meet, when the girls and boys both won, by outrunning Tempe, Kofa, and Camelback.

The girls were inexperienced but kept improving every week and finished the season with 4 wins, 2 forfeits, and 9 losses.

The boys graduate five from the squad and have three sophomores and two juniors to start next year's team. The girls graduate five also and four are returning next year. Many boys ran over 250 miles in practice not counting the extra miles they did on their own. The girls' mileage was pretty much the same with two runners over the 250 mile mark.

Varsity basketball has good season

With a season that had its ups and downs, the Lions' Varsity Basketball season finished strong down the stretch

Throughout most of January, the Lions were without their star center, Mitch Smith, who suffered a broken finger. The team seemed doomed, but they did surprisingly well without their key player. Lions lost in double overtime to number one ranked Central High, falling short by one point (58-59).

One February 3, 1984, one of the best performances of any players in Alhambra's history took place as the Lion's Mitch Smith finished the night with a new school scoring record, an astonishing 42 points, as the Lion's walked all over the Bruins, 99-49.

The Lion's had a great year with 12 wins and 11 losses.

Lettermen win MVP awards

The coach of the golf team, Bill Wharton felt this year's team was much stronger than last year's team. He sensed this was because of the three returning lettermen: Dennis Smith (MVP winner in 1981), C.J. Brady (MVP winner in 1982), and Eddie Cruz (MVP winner in 1983).

Out of the nine players that tried out, all nine were chosen as members of the team. Five of the nine were returning from last year. The only weakness the golf team had was they were inconsistent in their play, which cost them some matches.

Softball has impressive record of 23-3

The Mighty Lions Softball Team had an excellent season with a 23 win, 3 loss record. This year was the best playing year the team had ever had. The team, of all seniors, won the Christmas tournament, and went on to the Divisionals tournament. The girls went to the playoffs, but lost on their own errors.

At State, the girls played an excellent ball game of 10 innings. The girls lost on an umpire's bad call. They sold candy for their banquet, from November until the end of the year. The team left an unbeatable record for the Lions.

Some of the important players of the team were pitcher Wendy James who pitched 10 shut outs, catcher Kathy Zuccala, who had a batting average of .430, and Kara Larremore who only had three errors throughout the whole season. All of the players who were on the team got at least one hit.

1983 Girls Basketball had 16-8 record

Last year the Girls Basketball team finished third in the B league, second in divisionals and advanced to the quarter-finals of the State Tournament. Their overall record was 16-8, the best in Alhambra's history.

Linda Neeley scored 1250 points, and Karen Michaels was the second all time leading scorer with 707 points. Karen

also became the all time leading rebounder with 619 rebounds.

The strengths for this past years team were height, speed, teamwork, and experience. The seniors returning in 1984 were Yvette Pieri, Kathy Zuccala, Celia Flores, Valerie Guidice, Karen Michaels, and Lori Williams.

Varsity Track undefeated in 1983

The boys Track Team of 1982-83 finished the year with a great undefeated season. They also did well in divisionals. The boys had all of the elements it took to put together a great year, and they did it. The outstanding athlete on the team would have to have been Tracey Pierce. He placed in all four events he entered in the State Tournament. He placed first in the 110 meter high hurdles and the long jump. He placed third in the 300 intermediate hurdles and he teamed up with Erwin King, Charles James, and Robbie Anderson for a third place in the 400 meter relay.

The Girls Varsity Track Team had a 6-4 winning season in 1983. The girls also had a new coach, Miss Marilyn Frantz. Coach Frantz had few problems adjusting to the team.

The girls did real well at the Divisional Tournament. Some of the winners at the tournament were Diane Copeland who finished fourth in the 400 meter run, Anna Figueroa who finished third in the 300 hurdles, and Leann Owens who placed in the high jump. Each of the girls qualified for the State Tournament.

Baseball places third in Metro tourney

Last year's Varsity Baseball team placed third in the Metro tournament. Also in the tourney was Scottsdale, Cactus, West, and South.

Through the regular season, the team had a record of seven wins and twelve losses. They started the season out with two wins against Cactus and

Glendale, then lost three in a row against Scottsdale, Arcadia and Trevor Browne. The team came back with a win against South. After playing several more games, and trying their hardest, the team ended the season with two losses.

1983 Archery takes fourth in State

In 1983, the Archery Team took fourth at the State competition where only thirty-five points separated second, third, and fourth places. The leading shooter for 1983 was Debbie Gorslin.

The team for 1984 consisted mainly of young archers. They had four returning players and twelve new shooters. 1984 was a rebuilding year for the team.

McNeece coaches team to win

The Varsity Badminton team, the first one Alhambra had in two years, tried their hardest, but started out the season with five losses. Their first was against Camelback, then against Trevor Browne, Maryvale, Central, and Agua Fria. They bounced back to beat Glendale with a score of five to four. They lost their courage and also their last four games to South, Carl Hayden, Central, and Camelback, to end the season with a record of one win and nine losses.

Katrin Larsen, a foreign exchange student, was an asset to the team. This year's badminton team had all new players who tried their best, but just couldn't get the hits. Mr. Ron McNeece, the badminton coach, did a nice job as first year coach.

The badminton team had no candy sales or any other fundraising activities this year.

Becky,

What can I say? I didn't even know you until I joined Key Club and what a wild couple of years these have been! You've been such a special friend for these years and I hate so much to say goodbye. But, the memories that we've shared will always go with me. That beautiful, long blonde hair will always be in my mind. And then the times when you counseled me about Michelle.

Then when I tried to help you and Kathy, ~~but~~ please it just wasn't meant to be. I'm glad you and John got together this year, although most of the time I'm not sure whether or not you guys are together or not! I'm so glad that people like you exist because with you the world will be a much better place! I wish we could have had a class together this year, but our lockers were close enough! I'm glad we finally got the business classes canceled!

even if it came every later in the year. It was tough to wait for that needed!

The Saturday Services will always be a well attended meeting and Convention. You've made it an so much fun. I'll be there. We'll take some real good care of yourself.

Love, Nathan

Good Luck in College!

Don't forget to tell you all that you do. Please

Turley leads Class of '85

Candy sales, button sales, carnations, Homecoming, heart-o-grams, and the float were some of the many activities sponsored by the Junior Class. The funds from these activities went mainly toward the Junior/Senior Prom, which was held at Heritage Square.

President Tosha Turley, vice-president Eric Hall, secretary/treasurer Kim Driscoll, and senators Janna Johns, Michele Halama, and John Culbertson organized and led the Class of '85 to a rewarding year with some special help from sponsors Mrs. Gardner, Mr. Haynie, and Miss Friedman.

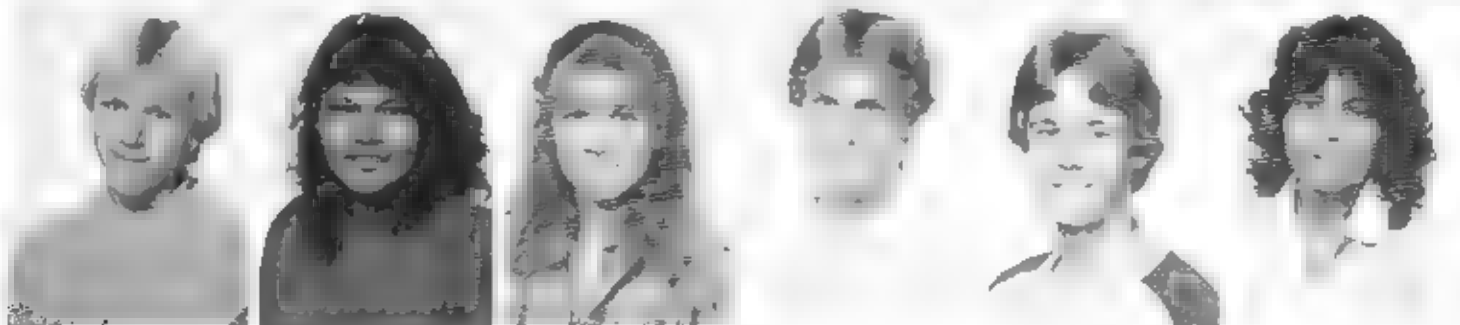

Junior Class Senators John Culbertson, Janna Johns, and Michele Halama help the Class of '85.

Class of '86 led by Newton

Cindy Newton led the class of '86. The class was sponsored by Mrs. Batina with the help of Ms. Chotras, Mr. Slavin, and Mr. Norenberg.

The Sophomore class spent the year raising spirit while working with the student body in school and quad activities. The class also sponsored a dance and painted benches. During Homecoming, members of the class, along with the Freshman class, came in first place with the float of Greece.

Besides raising spirit, the Sophomore class held candy and stadium cushion sales and car washes to be used to pay for their Junior/Senior Prom and senior gift.

Cindy Newton, president; Jeana Millwood, secretary/treasurer; and John Road, vice-president, stand together as they lead the class of '86.

SENATE Wanda Satterfield, Kym Shroyer, and Tammy Pfeifer represent the class of '86.

Raymond guides Class of '87

Standing in long lines in the hot August sun for books and schedules, the class of "87" was initiated into four years of high school. One of the class's first events was the election of class officers. Elected class President was Tanya Raymond, as Vice President was Barbie Barnes, and as Secretary Treasurer was Jenifer Hollowell.

The class of "87" got off to a great start when the Freshman/Sophomore float of Greece took first place at Homecoming.

Other than working with Student Government, the Freshman class sold candy and baked goods to pay for their Junior/Senior Prom and their Senior Gift.

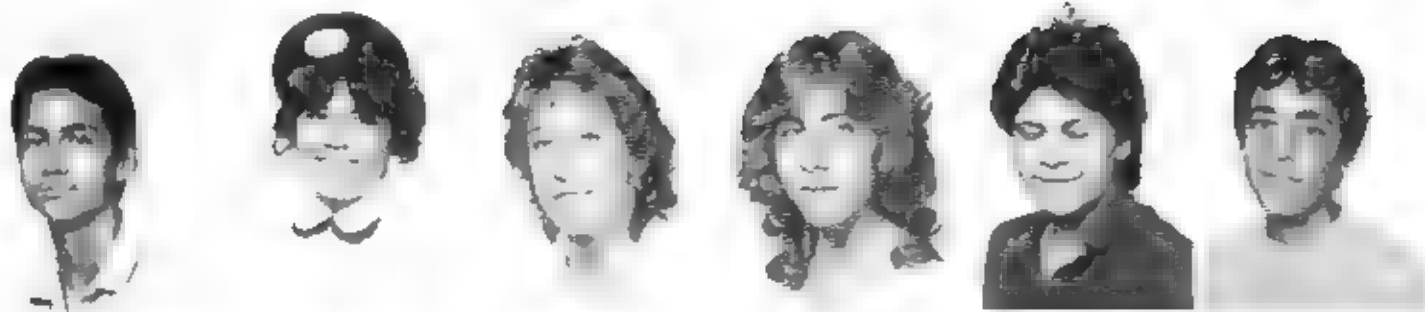

The Freshman Class officers were under the sponsorship of Mrs. Borden.

Freshman senators Kellie Barraza, Bobby Thrasher, and Kelli Faraci pose in front of Debbie Rasnick, Activities Committee member.

Freshman officers include (l. r.) Jenny Hollowell (Secretary Treasurer), Tanya Raymond (President), and Barbi Barnes (Vice President).

"Standing Together" at the end

Hello,

Well, Alhambra, another great yearbook! The staff and I worked all year to put together the Fortress so you can keep your high school memories forever. I hope you enjoy reliving some of these memories with your friends and family through the 1983-84 school yearbook. This is my second year as editor, at Alhambra, and I was pleased with both books. The staff and I took great satisfaction and pride in making this yearbook the best. We triple checked our work to make this book the best, but as you know, nobody's perfect. You may still find some mistakes throughout the book.

Next year, I won't be here as editor, but someone just as competent, Rhonda Hansen, will. I know she will continue to make the Fortress the kind of book you all want.

Love ya.

The Central football game and of course homecoming.
I remember the first time I loved you. Remember after
the dance at Joe's hall. You're such a good Best
I gave you. The notes we wrote all the time in second
year. Whenever I think of all the times we had
I can't help but smile. I love you with all my heart
and soul as my friend and as the girl I chose to fall in
love with. You've helped me and I don't think I would have
ever made it without you. God knew that he was doing
big things for us together. There's so much to say and
so little time to say it. Blessing you and your family
have made me feel needed. Your family is great, each and every one
of them have a space in my heart and memory. I want to
my years of happiness when I think of all have been
enough, you know. Every one of us needs each other
we both are friends. Whenever a problem arises we both stand
side by side together never fighting it out. We could
conquer the world if we needed to.

They don't forget the lunches at lunch time and all the
notes we went on. They remember the walk-a-thon
when Jenny took my keys home and your paper had to
come and pick us up, and how I always leave my keys
everywhere. If it wasn't for you I probably would never
keep track of anything. (You better, not forget your better not ever
let tell you what thing will ~~also~~ always
be for you is all)

When someone asks me "I love you" I say "You better
you're a giver" well I'd like have been through so much
and you've always been there for me. Thank you for being
there when my Dad died you helped in a way no one ever
could.

Well Brian says Remember the good times
and good luck with everything. They'll
you're gonna make it by something.

Love
Johnny

(Answered for Johnny)

Becky,

Well good morning our senior year
has come and gone. When oh, you first started
I didn't even care. I thought I was just in a
senior, oh well. But then seven months ago I
met you. Do you remember how at first
you thought I was the one. Do you remember
how we sat on that table in the quad and talked
about Meena and Greg. You know how true what
they say memory never lies. Becky we've been
through so much oh, yes. The Dixie State
for the secondary service plus don't forget Winchell.

Becky a month after we started going out I
fell head over heels in love with you and I can say
that everyday though good and bad the girl
spitfire and spitter. Becky please never forget
me and you and all the good times we've had.

I'm going to remember you always my first
love and hopefully my last. I remember everything
the times at your house with your family when I first
met your Mom and Dad and when I first met Stephanie and
Grandma. Becky when I think of the times with you
it makes me want to cry and love you so much.

You, you and your big brown eyes so so pretty.

Remember conversation and how much fun we all had. The
birthday parties at your house and the times I walked
you to class. I'll all be sad when I think that there all
over but it's not Becky our relationship has just started.
Thank you Becky you'll never know how much I mean
that. Thank you for taking my life and giving it
new meaning. You taught me how to love most of
all. Just remember the fun times like when we had
a 2000 gift in my car, the prom when you looked
sooooo beautiful. Remember how nervous I was
when you remember kicking the damn the drummer
concrete and the dumb lady next to me

(Reserved for Natalie)

my Purist Bee-Bee,
What a year this has been and we
sure have gone through a lot as usual
but, this has been the toughest. Guess
what? We survived. Now really are
my bestest bud through thick and thin
you have and will always be. I may
not tell you ~~to~~ often enough how
important our friendship is to me, but
deep down I know you know I love you.
You're one of the few people who have
stuck by my side when the chips were
down and life seemed as though it
couldn't go on. Even during our moments
of silence there was a feeling of under-
standing between us. I think this
friendship is meant to last for many
more years. Our memories have made
a never-ending ring around the world.
Conventions, camp, and many more
cuttings are such landmarks in our
history. Just think if you never would
have wanted that Star Wars cup or had
where we would be now. Bicky, I love
you and the closeness we share. You are
a terrific friend and human being. I
don't know what I'd do without you.
You have been an inspiration to me
and have helped ^{me} strive to my best
potential. No matter how far apart we
live in the future you better keep in
touch I want to send my children to
your school. Always remember, I'll always
be there for you. You mean the
world to me. I wish you the best of luck
in college and all that you do.

Seniors!

P.S. I'm
your
bud.

I Love ya,
Natalie

Becky, Becky, Becky, Becky, Becky
What am I gonna do with ~~you~~ you
woman? You're the only person I know with
a genuine soap opera life! But then
again I think about it and I don't know
what to do without you. You've always been
there for me whenever I needed to talk to
someone or if I just needed a hug you've
given me a lot of advice that really straightened
me out when I was in ~~some~~ ^{some} kind of a rut
Becky! I'm gonna miss you! Every year we
say "hey woman, we're gonna get together + do
something over the summer. Then we don't see
each other until the first day of school the next
year. This year that's not going to happen Got it?"
You're such a good friend Becky I can tell you
anything (and I think I have) and I can let the
rest of the world out on me when I'm with you. You don't
criticize me or pull away. What a friend!

This is it Beck. I'm starting to shake
in my shoes! The idea of College scares me to
death but I'm glad you'll be going to Grand
Canyon too. That makes it a lot easier for me
I can picture it now. Stacy Clavidge - Becky
make walk on to the campus there will be
an absolute mass that comes out everyone will
see 1500 plus of eyes looking in our direction.
Slightly later months will also wait! Wait! Wait!
they're really drooping! Yes I can see it now.
Please keep in touch with me over the summer.
Beck I'll be in the same ~~same~~ ^{same} I don't want
our friendship to ~~run apart~~ ^{run apart} and the next few
months just because of lack of communication. You're
a wonderful person to have as a friend + I hope
we'll always be friends. I know you've always wanted
more than just friendship. (I'm sure at this point
in my life I really just can't let that happen)

I love you
Becky
I'm gonna miss you
Stacy Clavidge

Becky,

It looks as though the time has come for you to leave your home for the last four years. I don't really know what to say at a time like this. It's just now (the last couple of days) that it's really beginning to register that I'll be losing so many of my friends with this graduation. People always say that they will keep in touch but so many times they don't. Anyway, this is getting to be depressing. There's so much to say! I guess mainly what I want to do is wish you all the happiness out of life that you deserve. There's no way either of us can guess what life holds for you but whatever it may be I hope it's as you want it. Lastly, I hope all goes well for you & John. He's a great guy. It's so important to have someone there to turn to when you need to talk. Be careful not to be too bratty though or he might grab your nose. I'm sure he really loves you Becky & I wish you two the best.

Here's lookin at you kid,

Tom Lynch

Becky,

Well, baby, I'll tell you. I don't know how amazing to live without you at face and coming next I'm afraid that I get to meet you and I'm afraid I'm afraid. I hope that you always get what you want from life. I'm sure you will because you have the courage to do your best and be your best. My best year in high school has been filled so many great memories, I'm just so glad that you can be a part of them. I'm going to come you soon and I just hope that you don't forget me, because I will always see a place in my heart for you. I hope to see you soon. "87" (my name)

Becky,

Becky
you would and say
"it's really good"
you're great. All day
you'd be seen around
and never met you until
last year. I'm glad to
hopefully fill in into
you something, something
but until then - hope a
good summer & make
the most of your life

Becky,
Well another year
has been on that year. It
has been a good summer
getting to know you and the
friends of your life in 7th Grade.
I hope you have a good future in the
brightest way and who knows maybe
John will last and all we see you here
day with 10 kids on your arm. Oh well,
I can join in the summer here.

Becky,
My little Becky. I'm very pleased I had this year with you. You are a really neat lady. Just keep smiling and make people happy. You can do it. My wishes for you include good health, true friends, success and especially happiness in the years to come. So Becky - Good luck & May God Bless You Always & Abundantly!
Your Friend - With Love
L. J. Gass

Becky,
You're a real nice person & you're fun to be around. I'm glad you were in dance with me. I can't say "I'll see you next year" cause you're a senior. So I'll say - Good luck in college & have a fun summer.
Your friend
Yinia Yang

Becky,
I have really enjoyed knowing you this year. Although the beginning of the year didn't look to promising, I'm glad it all turned out for the better. You did an excellent job as Treasurer and you will always be remembered by us Key Clubbers. Have an excellent summer and K.I.T. (249-1542)
Love,
Lori Wilder

Becky,
Well, you're done! Nice huh? I hope you have a great life after you leave High School. You deserve it! You've been a great treasurer, and I hope Karissa can do as good of a job as you did! I hope your career will be what you want, make it or break it baby!! (I usually don't piece like this!!) and PLEASE keep in touch with us and KEY CLUB #145

Well B.M., I guess this is the end isn't it. Well
I've been keeping it a secret but I'm moving
to Europe after I graduate and I have to change
my identity as soon as I get there. The mafia
is after me. Guess what? I'm just kidding!! HaHa! in
wasn't that a thrilling story? I thought so. Now,
seriously, let's get down to what I'm really going
to tell you. Are you ready? well you better
be. Thanks so much for everything. Your a real
special person and I'm so glad we have this friendship and
I think you know what I mean because I really don't
know what kind of words to put in this book! Well, you
better take care of yourself and you better keep in touch.
OK? - O.K. Have a great summer and I promise not to talk
with food in my mouth!! See ya later,
love always.

~~Rebecca~~

Becky -
as I have been on
long times since 1944 made
bluebirds huh? It's been Eng
wally nest growing up
with you and I have
so many memories of
us together. You had
a special place in my
heart Becky! Good luck
in everything and
God Bless Please keep

Becky,
We've been through Sevilla
and now Alhambra. I can't
believe it almost over. Time
really does fly. Doesn't it?
English class was loads of
fun! I want to wish you
the best in the years to come.
Your John is really sweet.
Hold on to him Becky.

Becky,
I'm glad I
met you this year.
You a real nice person.
Key Club was really
fun this year. Have a
great summer. I hope you
come back to Key Club next year
friends always,
Julie
Scheid

HAPPY
GRADUATION

Best wishes -
I'll miss you
Adrian

I don't want to write a
long letter. I am very busy.
I have no time to do so.
I will come soon.
Yours,
Hudson
